STATINTL

Dear Stan,

Our people did a good deal of checking and they just have not been able to come up with any assignment in the supergrade level. Most of our positions, as you know, are career positions and are filled from inside. Our people were impressed with your experience and of course from working with you myself, I know your excellent capabilities.

Although employment at the Agency will not work out, I do hope you will use my name as a personal reference for other job prospects you may be running down. I would be glad to "second the motion" at any time.

Best of luck and happy holidays to you and yours,

Sincerely,

George Bush

MEMORANDUM FOR: Deputy Director for Administration

FROM : F. W. M. Janney
Director of Personnel

STATINTL SUBJECT : [REDACTED]

STATINTL

As you requested, Messrs. [REDACTED] Fitzwater, and Falkiewicz were contacted regarding the possible use of Mr. [REDACTED] as a consultant.

STATINTL

STATINTL

[REDACTED] stated that subject is presently an EP 4 and is really not interested in staff employment at a grade less than a GS-17. His primary interest, however, is an Agency sponsored and supported consultant arrangement. [REDACTED] stated that he could not accommodate Mr. [REDACTED] in any capacity. [REDACTED] referred Mr. [REDACTED] to Mr. [REDACTED] Chief/Africa Division. [REDACTED] did not offer Mr. [REDACTED] any encouragement in employment possibilities with Africa Division.

STATINTL

STATINTL

After reviewing Mr. [REDACTED] resume, Mr. Fitzwater has concluded that he does not have a viable requirement for Mr. [REDACTED] services. If Mr. [REDACTED] were hired by another Agency component, OTR would be interested in having him speak internally as an achieving minority.

Mr. Falkiewicz knows Mr. [REDACTED] personally but not professionally. After reviewing Mr. [REDACTED]'s resume, he also stated that he did not have a requirement or an area in which he could effectively utilize Mr. [REDACTED] as a consultant.

Since Mr. [REDACTED] did not apply for a position through normal channels, your guidance is requested as to how he should be informed that we have nothing suitable for him.

Deputy Director for Administration

Hank:

STATINTL

1. I present a few thoughts on the matter of Mr. [REDACTED]

2. I find it difficult to envision any Agency full-time employment for the gentleman. Secondly, and as I may have mentioned previously, I suspect in the next several months similar situations as this might present themselves to us.

3. I note that the Director states Mr. [REDACTED] might be interested in some type of consultant relationship. From that point of view, it is possible that Andrew Falkiewicz could have some part-time interest, and it is also possible that we could work him in as a guest lecturer at some of the Office of Training courses. It is also further possible that he could be of some assistance as a consultant to Omega Ware.

STATINTL

4. If you would like, I will pursue these consultant possibilities. May I have your advice.
